

Willpower Self-confidence & Determination are the Corner Stones for Success

Kajal Dhawan an ex student of our School has proved in abundant measures that Willpower, Self-confidence & Determination are the Corner Stones for success in life. Kajal is a deaf child by birth, but this has in no way prevented her from competing with other normal hearing children of her age. She is a very lively and a lovable child. With her dedication and due help/guidance from her parents, teachers & co-students she has passed XII class CBSE Board examination from Kalka Public School in March 1997 in Textile Designing securing 72% aggregate with 93% in Textile Printing and 92% in Textile Designing. Kajal has not only been good in her studies but she is outstanding in sports. She represented the school team in Badminton & Table Tennis. She has won Silver & Bronze Medal at the National level in Swimming Championship for the deaf and she is proficient in Horse Riding.

Kajal has now added another feather to her cap by winning the First runners-up prize at the Beauty Contest held at the Hotel Le Meridien on 31st May 1997. A total of 38 young and charming girls took part in the Contest. This Beauty Contest was sponsored by the Delhi Foundation of Deaf Women & Hotel Le Meridien. Thus once again Kajal has proved that if you are determined sky is the limit for your success. We are very proud of Kajal, our ex student, and are confident that she will continue to prosper in life. We wish her all the best and God Speed - Well done and keep it up.
